

FEEDU - TEACHER GUIDE FOR PRIMARY SCHOOL

BACKGROUND

Exercise Book for Primary Schools is a series Pre and Post monitoring forms in the form of exercises designed to assess the knowledge already there and compare with the knowledge gained after learning. Some monitoring forms have terms used which may not be familiar to pupil's in which case they are asked to take them home so that their parents are able to help them. This is done so that the parents are also involved and have a contribution the project.

TIME

Approximately 10 to 15 minutes for students to read and complete the Pre and Post monitoring forms.
